

Wage Verification Methods

Year 5: 2022

There are two methods for wage verification:

1. Verify your wages at your appointment with a paystub or letter from employer. This can be done via Zoom video chat.
2. No paystub available at appointment or need to complete the appointment via phone? *Send it before or after your appointment!*

Option A

Scan/take a picture and e-mail the image to our study team.

E-mail address: wages@unc.edu

Subject: "Wage verification"

Option B

Take a picture of your paystub and text it to our study team.

Phone number: (919) 617-7505

Option C

Please send a copy of your paystub by mail to:

UNC Center for HPDP

Attn: The WAGES Study

1700 MLK Jr. Blvd, CB 7426

Chapel Hill, NC 27599-7426

**Please indicate the time and date of your appointment when submitting the pay stub.

Please make sure the following information is clearly visible on the paystub:

- Your name
- Your employer's name and address
- The time period of the paystub (date range or indicates weekly/biweekly/etc.)
- The number of hours worked during that time period
- Your hourly wage

We will delete and/or shred your paystub after you submit it; however, please feel free to cross out any sensitive information not required for the study.

Once we receive your paystub, we will add \$15 to your reloadable Visa gift card. If you have questions, call/text us at 919-617-7505 or email us at wages@unc.edu. Thank you!
